

## **BRAT REGIONAL – PLANO, TX**

**February 15<sup>th</sup> 2020 – Hosted by: Warren Knarr '77**

Berlin Brats from Oklahoma, Nevada, Virginia and Texas met in Plano, Texas at the “Bavarian Grill” on February 15<sup>th</sup> 2020, for a mini-reunion. There was a total of 19 people that attended of which 13 were Berlin Brats. The Class of '75 was well represented while **19 Flanaganstrasse\*** won the best representation as six lived in the same stairwell during the same time periods. Forty-Seven (47) years after leaving Berlin, everyone picked up where they left off. The memories of time past, of a life we all shared, will never be forgotten no matter how old we get.

This reunion started out with Warren and Carla coming to Texas to visit 3 Brats that they know and it ended up being a mini-reunion of 13 brats. It was a fun filled day with people sharing the same stories and the details added to many stories which some have forgotten over the years. When the day was through many a tear and hugs were shared as each said good bye. Like Brats all over the world, we said goodbye however our bond will last a lifetime.

Carla and I would like to thank each and everyone of you for coming and sharing in our life and adding to our memories of BERLIN BRATS all over the WORLD. I wish to thank Elaine for all her help in making this happen and for Roo for being able to make it. Carla and I are looking forward to seeing many of you in Seattle.
