THE HYMN OF PRAISE

Joyful, Joyful, We Adore Thee - Beethoven

Joyful, joyful, we adore thee,  
God of glory, Lord of love;  
Hearts unfold like flowers before thee,  
Opening to the sun above,  
Melt the clouds of sin and sadness,  
Drive the dark of doubt away;  
Giver of immortal gladness,  
Fill us with the light of day.

Mortals, join the happy chorus  
Which the morning stars began  
Father love is reigning o'er us,  
Brother love binds man to man.  
Ever singing, march we onward,  
Victors in the midst of strife,  
Joyful music leads us Sunward  
In the triumph song of life. A-men.

CLOSING HYMN

O God, Our Help in Ages Past

O God, our help in ages past,  
Our hope for years to come,  
Our shelter from the stormy blast,  
And our eternal home:

Before the hills in order stood,  
Or earth received her frame,  
From everlasting you are God,  
To endless years the same.

A thousand ages in your sight  
Are like an evening gone,  
Short as the watch that ends the night  
Before the rising sun.

Time, like an ever rolling stream,  
Bears all its sons away;  
They fly forgotten, as a dream  
Dies at the opening day.

O God, our help in ages past,  
Our hope for years to come,  
Remain our guard while life shall last,  
And our eternal home. A-men.
