

# JUNIOR JABBER

The Class of '63, commonly referred to as the Junior Class this year, looks forward to a real 'rip-roar'n' year at B.H.S. Even though we are only 25 strong, the Junior Class has the potential to successfully gain high goals and standards with the help of the other classes and make this school year memorable in the hearts of the student body.

Under the direction and the guidance of Junior Advisor, Mr. Nicholas O'Neill, the Junior Class plans to take giant strides forward. To back up and to assist Mr. O'Neill in every way are the Class officers and Student Council Representatives Judy Deason and Phil Lear.

Already the Junior Class is exercising its many talents. The class sent Mark Waple into the candidacy for vice president of the Council under the campaign managing of Phil Lear. The Class also has its glamorous side with three Junior beauties on the Cheerleading Squad. They are Misses: Deason Ellithorpe, and alternate Gonzales. Our hearty congratulations to you three!!!

The Juniors are being loyal in every way to their old Alma Mater as athletic supporters. Halfbacks Mark Waple and newcomer Chuck Hewins and end Dave Lodge are on the team. Good luck against Kreuznach.

The Juniors, not to be outdone by other classes, take full advantage of the extra-curricular activities. There are Juniors in each of the following clubs. Lettermen's Club, Pep Club, Student Council, Cheerleading, and National Honor Society.

This year, unlike 1960-'61, which was constantly highlighted by Junior-Senior differences of opinion we hope will prevail in mutual agreement. The Junior Class plans to back up the Class of '62 in every way possible. We want to make this year a memorable one for the Senior Class, since this is their last year at B.H.S. We hope that this school may advance the high standards of school loyalty and spirit through the combined efforts of the Juniors and Seniors.

The returning B.H.S.'ers of the Junior Class would like to welcome all the new Juniors and all the other new members of the student body to the school. We know we are not large in quantity, but that can be made up in quality. So this year, throughout the entire year, let us remember to give forth all we can in spirit, loyalty, and citizenship to carry B.H.S. to the top and to have a year of wonderful memories to look back upon.
