

# Cubs wind up season

by Debbie Marmor

The Varsity Club of BAHS held its Annual Sports Awards Banquet Monday at the Club 50. Among the guests of honor were BG R. Dean Tice, COL Donald Adickes, and Scott Hunter, ex-quarterback for the Green Bay Packers and now with the Buffalo Bills.

Master of Ceremonies and President of the club, Toney Parks, started the evening's events by introducing a Barbershop Quartet. During the buffet dinner a movie was shown highlighting the Green Bay Packers' 1972 season. After dinner the coaches of the spring sports — track, soccer, and tennis — presented the Varsity letter awards. These were followed by the Mr./Ms. and Coaches Awards for all of the events of the school year 74-75.

The Mr./Ms. Awards were voted by the team members in each category while the Coach's Awards were the individual coaches' decisions.

This year the Varsity Club voted to show their appreciation of the various coaches' contributions. Mr. Rivers presented twelve plaques of appreciation to assistant coaches not affiliated with the school in addition to the usual hand-shake and word of thanks.

After a brief introduction by Paul Britton, principal of BAHS, BG Tice spoke to the athletes about their past year and added that a new and long awaited football field was under construction on the site of the present high school field. He stated that there was also a possibility of a track being built around it. Scott Hunter then addressed the sportsmen and women of BAHS. Hunter, sponsored by the Fellowship for Christian Athletes, is one of 15 NFL players presently in Europe. He has been in Berlin all week visiting the school and various troop units. Sunday he will be leading a religious service at McNair.

In all, the athletic Department at BAHS had quite a successful year. In golf, Randy Smith took first in the Germany Regionals and USDESEA Finals, and Janet Virgilio took first in the Regionals and third in the finals. The men's basketball squad was tied for first in their division and took second at the Germany Tournament. The ladies were second in the division and took fourth in the tournament. The soccer team won the division championship. The tennis team went undefeated the entire season. At the Germany Finals, Kim Jones took first in the girls' singles, Lezlie Smith and Lisa Jones second in doubles, Randy Smith took second in the boys' singles and Rick Martin and Keith Smith fourth in doubles. All six have been invited to participate in the Invitational USDESEA Finals in Bonn this weekend.

The Berlin track teams traveled to Schwetzingen last weekend to participate in the All-Germany Finals and were pitted against eight Class B schools: Baumholder, F.I.S., and Wuerzburg.

The Berlin girls' team placed fourth overall, with 11 points. Among the girls that placed were Colleen Gilligan, who placed twice — fifth in the 1500 meter run and sixth in the 800 meter run, Vickie Neal fifth in the 80 yd. hurdles, Elisa Huston sixth in 80 yd. hurdles, Kathy Haury fifth in the shot put and sixth in the discus, and Janet Virgilio fifth in the discus.

The Berlin boys put up a good fight, but despite all their efforts they did not place in the top six.

The weather remained clear for the duration of the three-day track meet and the track itself was of a much better quality than the Andrews cinder track the team is used to. These conditions contributed to better times in many of the heats.

All in all, the Berlin team put up a good fight in this, their last meet of the 1974-1975 school year.
