ANNCR: That's right, gang...this is your Teen Canteen on the Air. We'll have fifteen minutes set aside every Saturday at this time, in which you'll hear the things that are of interest to Teen-agers in Berlin this week! You'll hear the top songs of the week...you'll meet some of the students at TAR High School...yes, all this, plus a few surprises. It's all yours now, as the Teen Canteen is on the Air!

MUSIC: THEME UP, THEN TO OUT UNDER

ANNCR: Like the man said, we're back again with your Teen Canteen on the Air. This week, we have a special surprise for you.

SKIPPI: What's tha, ta Ann?

ANN: Oh! Hi, Skippy! I didn't see you there.

SKIP: Just come in. What were you saying about a surprise?

ANN: Well, a lot of the kids have been wondering if they are really as dumb as they seem to be, after their test papers come back.

SKIP: And?

ANN: Well, we did some research on the matter, and we found one man who's the ^{epitome} of stupidity. ..whatever that means.

SKIP: Swell. Who he is remains a mystery, I suppose.

ANN: You guessed it. But you'll get a big kick out of it, though.

SKIP: By the by, old thing...where's Nancy this week?

5 favorite at TAR High School. It's My Foolish Heart

6 with Bobbe Ceekins.

7 MUSIC: TOP TUNE

8 NANCY: Hi, kids.

9 ANN: Hi, Nancy. Gosh, it's about time you showed up!

10 NANCY: I'm sorry I was late. Golly! What's this big surprise

12 about it on the loudspeaker outside in the lounge.

13 SKIP: Yeh...what's the big surprise, huh -- huh...what's the

14 surprise?

15 ANN: Easy, girls. It's just that we have a real special guest

16 this week on your Teen Canteen show.

17 NANCY: One of the kids from school?

18 ANN: Nope.

19 SKIP: Maybe one of the announcers here at AFN-Berlin?

20 ANN: Nope. This guy is really stupid. He doesn't just look

21 that way.

22 SKIP: That rules out AFN.

23 NANCY: I know...he's a Hollywood personality!

24 ANN: Now you're on the track. We've had a lot of requests for

25 skits by big names. Well, we found a man who is one of

26 most ignorant persons in the world...by far. But he makes
