

C.J. is the O.J. of high school football in Europe. C.J. is, of course, halfback Cleo Johnson of the Berlin Cubs. Like Southern Cal's O.J. Simpson, C.J. is the type of runner you just don't see very often.

Johnson, who heads The Stars and Stripes All-Silver Division team named this week by the five coaches in the league, started off the season with 36 points against Bad Kreuznach (he had two other TDs called back in that game). Cleo continued to romp and the Cubs wound up with a 7-0 record and he wound up with a fantastic 118 points.

"In all of my years in football, as a player and coach, I haven't seen a boy with the moves that this boy has," says Berlin coach George Pepoy. "Cleo's ambition is to some day play pro football and if he remains sound physically, I'm sure that this ambition will be realized," adds the Cubs' mentor.

Johnson, a junior, was one of four unanimous selections on the Silver offensive team. Also gaining five votes were end Fred Maust and halfback Mike Barnhill of Bitburg and guard Howard Ashcraft of Berlin. The Silver champion Cubs dominated the 22-boy team, placing five on offense and six on defense. Johnson, Barnhill and Larry Bolster, also of Bitburg, were named to both squads. Johnson and Baumholder tackle Jimmy Brock were the all repeaters from last year's S&S Silver team.
