

Swimmers take break

The Berlin AYA swimming team closed out the 1974-75 season with an awards ceremony honoring the individual swimmers for their performances throughout the year. Each team member was awarded a Berlin "B" and a medal for participation in the program. In addition, several swimmers were recognized for superior performances.

Bryan Storer and Susan Platt both achieved outstanding swimmer status, while Greg Dolge and Karla Werner took most improved swimmers. James Werner came out of the season with outstanding munchkin and the most determined swimmer on the team was Laura Cook.

Coaches awards were given to Klaus Erb, Donna Holsapple, Bart Kemper, Kim Simpson, Kerry Castillo, Eric Godber and Kim Torgerson.

After the ceremony the swimmers went on a three week break. The team will resume training in August. Anyone wishing to try out for the team should be at the Sports Center swimming pool between 4 and 5:30 p.m. before August 4.
