

# Swimmers drown Sea Lions

by Jeff Neely

Sunday, the Heidelberg Sea Lions competed with the Berlin AYA Swimming Team here. The meet, which was held at the Sports Center Pool was an exciting climax to a weekend visit by the Heidelberg swimmers.

The Heidelberg team arrived Saturday morning on the duty train and at 10 a.m. they were in the water practicing for the meet. Saturday afternoon the team went on a tour of West Berlin with the evening spent in the homes of the swimmers of Berlin.

Sunday morning at 10 a.m. the meet began. The relays were the first events and they indicated that the meet was to be a battle. Numerous races were won by tenths of a second and others required judges' decisions. At times every member of teach team was on their feet screaming encouragement to their respective swimmer. After 44 events the Berlin AYA Swimming Team won the battle for first.

The outstanding swimmers were Bryan Storer, Susan

Platt, Derrick Fulton, Karla Werner, Eric Godber, Mike Erb, Knute Asnis, Sonia Craig, Greg Dolge, and Klaus Erb.

The final score was Berlin AYA Swim Team 203 and Heidelberg Sea Lions 173.
