The high school soccer and tennis teams were successful once again in defeating the Wuerzburg Wolves. The Cubs met the Wolves for a second time, this time on home territory.

In tennis the Wolves were defeated 17-1. Three weeks ago the Cubs defeated them 15-0. This was the last regular match of the season. Today and tomorrow the top six players, three boys and three girls, are participating in the Germany Finals.

Kim Jones has joined the team at the last minute and will be playing to defend her title as the number one female singles player in USDESEA. Lisa Jones and Lezlie Smith are defending their first place title as doubles from last year. Randy Smith will be competing in the singles, Keith Smith and Rick Martin in the doubles. These finals are a championship of all USDESEA schools in Germany. Bonn has decided to host an invitational tournament which would be the equivalent of a European championship. They invited the entire Berlin squad to Bonn to participate in a pre-tournament match next weekend.

In soccer the Cubs beat the Wolves 4-1 once again. Santiago Ortis scored the first goal soon followed by Steve Kincaid and Mike Lorenz. Ortis also scored the last Berlin goal. The Wolves managed to score on an elf-meter (11) kick.

The J. V. squad suffered a great upset. They were defeated the first time this season, 1-0. It is also the first time that they did not score in a game. This weekend while the Tennis Cubs play at the Wuerzburg Germany Finals, the Soccer Cubs will be playing Baumholder in the last game of the season. The Cubs already have the division Championship in their pocket.
