

Spring sports come to BAHHS

by Debbie Marmor

This weekend will be the opening of the spring sports season at Berlin American High School. Soccer and tennis and track are the spring sports offered at the high school.

The tennis and soccer teams will be traveling together for the most part of the season while the track team meets with different teams entirely.

This weekend the tennis and soccer teams will play at Ansbach for their first seasonal meet. The track team will be competing in Heidelberg in a 4-way meet.

The tennis traveling squad is comprised of six men and six women. Their season looks very promising with five varsity letter winners returning; Randy Smith, Rick

Martin, Lisa Jones, Leslie Smith, and Debbie Marmor. The team is coached by Gil Jones.

John Chavies' soccer team prospects look quite good. All Conference center half-back Marvin Lindroth returns this season along with fellow varsity men James Duffy, Steve Kincaid, John and Bill Burhans, Roger Kreuzer, and Mike Lorenz.

The track and field team, coached by Tom Campbell, has female athletes participating for the second year in USDESEA history. Mr. Campbell says that certain individuals have excellent chances depending on how hard they work at their particular events. Among the returning letter winners are David Aura, Toney Parks, Jody Engbretson, Elisa Huston, Vickie Neal, and Janet Virgilio.
