

Carol (Hayes) Davis Nigro '66 Obituary

Carol Davis Nigro of Ormond Beach, FL. and formerly of Mullica Hill, N.J. peacefully passed away on February 29, 2024 at home after a courageous battle with AML.

She was born in Berlin, Germany on January 19, 1948, daughter of the late David and Ursula Hayes. She is survived by her loving husband of 27 years Greg, and her two sons, Steven (Cathei) of Philadelphia, PA. and Michael of Marietta, GA. She is also survived by grandsons Cody (Joan) and Brooks (Alyssa) and 3 great grandchildren.

Carol was one of the youngest ballerinas in Berlin before arriving in the United States at the age of 6 and never looked back. She did not speak the English language upon arrival, but by the age of 8 she was teaching English and reading to her fellow students.

Carol was an army brat and attended schools in Texas, Kansas, Kentucky, and the American School in Berlin, Germany, before settling in Aberdeen, Maryland.

She attended Towson University and worked in the public relations department for Johns Hopkins University. She eventually moved to the South Jersey area where she met her husband Greg and established herself as an independent life insurance agent. She was an agent for over 30 years becoming the president of Gloucester County Association of Life Underwriters (GCALU), as well as a member of the Chamber of Commerce and Rotary International.

Carol enjoyed traveling, reading, organizing impromptu gatherings with her many friends and spoiling her great grandchildren and faithful companion Nash.

Always with a kind word and a smile on her face, Carol was the caring neighbor, friend, and relative who would provide a hot meal to someone in need. She will be dearly missed. A Celebration of Life will be scheduled at a later date.
