

## Diane Marie (Doty) Cunfer

January 24, 1966 - October 1, 2023

Diane was a devoted and loving wife. A proud and encouraging mother. A close and supportive sister. A spunky and fun daughter. A loyal and caring friend. A goofy and gracious boss. Without Diane, there is a little less love in this life and her absence will be felt by so many.

Diane is survived by her husband Louis Cunfer; her children Sydney and Garrett Cunfer; her parents Gerry and Lynnetta Doty; her sisters Susan Judd and Debbie Doty and brother Joel Doty; her nieces Katie Daugaard, Rachel Fletcher, and Alyson Doty; and her great nieces Havana, Isabel, and Rheyra. Alongside her relatives, she is survived by an enormous chosen family full of close friends who she cherished dearly.
