## ELECTIONS HELD AT BAHS

The Senior High Class elections were held on September 12 during 6th period. The Freshmen and Sophmores met in the cafeteria to hear their candidates speak and to vote, while the Juniors and Seniors gathered in the gym to listen to the upperclassmens' campaign speeches.

The assembly for the ninth and tenth grades went off without a hitch, but there were a few foul-ups in the gym.

Due to the number of students giving speeches, the final bell rang before all of the candidates had a chance to speak. But soon they were all finished and it was time to vote. The seniors voted ... but where were the ballots for the juniors? Who knows?

The 11th grade ended up voting the next morning in their first hour class.

## PUBLICATIONS ATTENDS AUDIO VISUAL FAIR

This was the eighth successive International Audio-Visual Fair. For ten days, August 29 through September 8. The show was held at the Funkturn. There was a total of 350 exhibitions and 199 additionally represented companies from 22 countries. This is one of the most important places in Europe for placing orders on audio-visual equipment. There was an incomparable display of achievements in radio & television exhibited. It also attracted a large number of people to see the new products & technical refinements. The publications class found the fair interesting and educational. Thanks Herr Prigge !!!

Even with a wall around Berlin, business plays a significant part in international exhibits & trade fairs.

## YEARBOOK ASSEMBLY A SUCCESS

The pep assembly for this year's yearbook was definitely spirited. The publications staff put together a Senior Class reunion which took place in the year 2006. The skit was followed by the film "We Can Make a Difference."

Yearbook sales totaled 4260 dollars; 150 copies were sold right away and approximately 240 commitment cards were signed, the goal being 500 yearbooks.

This year's annual is expected to be a complete success, and it will be with your support.

## PTSA HOLDS ITS FIRST MEETING

The first Parent Teacher Student Association meeting was held on September the 18th, at 7:00 to 7:00 in the school cafeteria. John Hamilton was the first to speak. He introduced the new PTSA council as follows ...

Himself as President, Vice President as Beth O'Donald, Treasurer as Francisco A. Rodriguez and Secretary as Caroline James. Caroline James read the minutes of the last PTSA meeting and it was established that the minutes would stay as written. She also stated that there were no outstanding debts and that the lunchroom monitors would be payed from the Principal's Fund.

Next to speak was Principal Rollen Miller. He stated some of the new policies for the new year. Some of these being that no one is allowed in school before 7:50 in the morning and after 3:30 in the afternoon. A ten minute break was established and more teachers would be in the halls during this time to keep the peace. All in all, the staff and the majority of the students of Berlin American High School feel that the year of 1985-86 will be a success.

## SCHOOL

### LETTERS TO THE EDITOR

#### CLOSED CAMPUS COMES TO BAHS

One of the main issues being discussed at school is the new closed campus policy. This policy applies to all students attending Berlin American High School with the exception of those students who live in the BB housing area with signed parental permission to eat lunch at home. Students who have permission, are given a yellow card signed by the principal.

Complaints about students making noise and leaving trash lying around have been reported by the BB residents to the principal. The closed campus policy is the result of excessive tardies and skipping. The administration hopes, with this new policy that all problems will be eliminated.

When asked how they felt about closed campus, students replies were as follows.

Chris Torgersen  
- "Why not just build a wall - a mini East Berlin."

Chaene Gusman  
- "Actually I think it's ridiculous."

Nicole Elliot  
"What is this, Jail !!!!!?"

Cindy Williams  
"I think it is unfair to the seniors to be locked on campus because of some rowdy under classmen from last year."

Dear Editor,

I am a concerned athlete that wants to express his feelings about the new eligibility requirements. I know for a fact that fellow athletes are having some trouble in some of their really demanding classes. And if our athletes are not passing, Berlin sport's team will suffer from this situation. Can there be any help or tutoring where our athletes can go for academic guidance and help?

Signed,  
A Concerned Student

Dear Concerned,  
The purpose of the eligibility policy is to get students to work harder on their studies. Students must do well in school, because most will not go on to become professional.

Most teachers have at least one day a week when they stay after school, and I am sure they would be more than willing to help an aspiring athlete in his or her time of need. Ask the teacher of the class that you are having problems in if he or she is will to help you.

Diana Bartholomew  
Editor.

Dear Editor,

When is something going to be done about our long cafeteria lines? We have so many people in line for lunch and so little time. I think we should have an extended lunch period or a compromise of splitting the line into drinks and goodies and another line for hot lunches.

Signed,  
Tired of Waiting in Line

Dear Tired,

This issue is on the agenda for the next Student Council meeting. One idea that has been suggested is extending school until 3:00 and adding fifteen minutes on to lunch. Another is to have the freshman eat during the first lunch. If you the readers have any ideas, suggest them to your class officers.

Diana Bartholomew  
Editor.

Dear Editor,

I was wondering why the yearbooks are so expensive this year. Is there any specific reason they should be \$27.00 ???!

Signed,  
A Poor Student

Dear Poor,

In the past publications staff attempted to sell the book as cheaply as possible. By pricing the book lower than actual cost, the staff had to then absorb the cost. We found this impossible considering our special circumstances, living in a foreign country where financial support is not as readily available as is true in the United States. This is the actual cost of the book - \$27.00.

Diana Bartholomew  
Editor.

Dear Editor,

I know that this subject has been brought before the administrators and Student Council; the subject is CLOSED CAMPUS !!!!! Fellow students in BAHS feel that closed campus is unfair and the administration should give the whole student body another chance. Pleading to the administration and signing of numerous petitions has obviously not worked and the student body feels itself forced to use brute force against the principal to avoid a mini-East Berlin inside the worlds' number one symbolism of freedom of democracy.

2

Signed,  
Freedomfighter.

Dear Freedomfighter,

The issue of Closed Campus is a difficult one. Many students oppose this policy and have told the administration how they feel. The student body cannot demand this policy be changed. The students must present to the administration logical solutions for the problems that caused this policy to come about.

## STUBBIES I KICKS OFF SCHOOL YEAR

### ELECTIONS HELD AT BAHs

The results of the Senior High elections for class officers are as follows:

TITLE : STUBBIES I KICKS OFF SCHOOL YEAR

The school year 85/86 was blown wide open with the arrival of the STUBBIES BASH. STUBBIES I was first ever conceived and planned by a group of seniors looking for a way to start off this school year with a bang and STUBBIES I did just that. Attendance was well over the anticipated 100 expected at this party of parties. Attendance has been estimated at 145 people or more! Refreshments were in excess of \$150. Music at this spectacular party was fantastic and many people danced the night away to the tunes of D.J Jasper (stereo, equipment and music courtesy of Ricky Klein).

The STUBBIES crew, made up of Mike Somsan, Mike Carey, Michelle VanDam, and Jim Long will be putting STUBBIES II into plan soon. Expect to see an even bigger bash with larger quantities of refreshments and louder music coming your way shortly before Christmas vacation.

The crew would like to thank all those who helped make STUBBIES I a success-Brad Blewett, Richard Gast, Pat Guzik, Mary Houston, Ricky Klein, Mick LeBlanc, and to all those who came early or stayed late to help set up and clean up.

## HOMECOMING'S SPIRIT WEEK OCTOBER 26

For all the new comers who don't know what spirit week is, it's the week before homecoming when the students work up spirit for the homecoming games. During this week there are days when students dress up to show spirit, such as nerd day, occupation day, etc. This week usually ends with the powder puff football game, bonfire, and a school dance on Friday night. Finally the homecoming games and dance will be held Saturday night.

Final decisions will be made for homecoming when the class presidents have been elected.

This year the administration would like to shorten spirit week to three days so as not to disrupt the education process.

Mr. Miller is open to new ideas for homecoming 85-86 to make it a memorable one for everyone. Submit your ideas to publications.

## SENIOR LOCKERS DISAPPEAR

This year, tradition was overruled by convenience in the issuing of lockers. The students were assigned lockers close to their first hour classrooms. The change was made for many reasons. One reason was tardiness. Students were continuously late for their first class. Mr. Miller felt having the lockers closer to the home room would make it easier for students to get to class on time. He also felt locker clean-up would be more orderly. Last year many students left trash in their lockers which had to be cleaned up after they had left.

Most seniors aren't happy with these new arrangements. They have always enjoyed the privilege of first floor, front hall lockers and want it to continue.

On the other hand, many underclassmen don't care about tradition and think it's easier to have lockers near their first class.

In hopes of satisfying everyone a plan has been made to convert the annex hall into the new "Senior Hall." It will be furnished with lockers and possibly carpeted.

Though most seniors would prefer having their old hall back, they agree the new hall is better than having lockers on the second and third floor.

## ENGLAND IRELAND TRIP PLANNED

On November first some of the students and faculty from BAHS will embark on a 10 day journey that will take them to England, Wales and Ireland.

The groups first stop will be in London, England where they will tour the city and see historic sights, such as the Tower of London and Westminster Abbey. They will also go to an evening theatre performance before moving on to...

Wales ! There the travelers will enjoy a drive through the romantic scenery of the Cambrian Mountains while on their way to...

Ireland ! Imagine, two nights in Dublin! An evening of Irish story telling, a visit to a sixth century monastery in the Wicklow Mountains and an Irish theatre performance are sure to keep the adventurers interested.

After enjoying the Culture of Ireland the group will stop once again in England to visit Stratford-upon-Avon, the birthplace of Shakespeare. There, they'll visit "The World of Shakespeare" and go to a live performance of the Royal Shakespeare Company. Finally, the travellers will spend a night in historic Canterbury.

The trip itself isn't the only exciting part, though. To make sure that everyone gets as much as possible out of the journey, pre-trip lectures on Shakespeare, Irish history and Anglo-Irish literature are planned.

It is sure to be a fantastic experience! Watch for a follow up article in the November issue of 'THE BEAR TALES'.

## DEAR AUNT BEARTHA

Dear Aunt Beartha,

this guy I've had my eye on for a while finally asked me to go with him! The problem is my parents won't let me go out on week nights. What should I do? Sneak out of the house, or stay at home and risk losing the guy?

Confined and Mad

Dear Confined,

Aunt Beartha doesn't think going against your parents set rules would be the right choice. Try and explain to this young man your parents reason for this rule and of course let him know your own views on the subject. He should understand, and if he doesn't, then Aunt Beartha feels your eye should wander elsewhere.

Love,  
Auntie.

## NEW CARPETS IN

Last March, our principal, Mr. Miller, began the long and grueling struggle to obtain carpeting for our school. Just recently he has reached the final stages of this struggle.

The carpeting for BAHS arrived September 6 on the duty train. It will be stored at DEH until a contract with the carpet layers has been settled.

Our faculty has many reasons for wanting carpet in our school, including the facts that 1.) It adds a new dimension to the school's appearance 2.) It is appealing to the eye 3.) It absorbs sound well so it will be quieter 4.) It will retain heat and keep school warmer 5.) Easier to clean 6.) Wears well.

The color of these rugs will be a rusty orange or burnt amber. This was chosen over blue, due to the fact that "blue is too cold of a color."

# WOMENS TENNIS BEGINS NEW SEASON

The women's tennis team started off the new season with mixed results.

Number one player Corky Labeau was undefeated in the singles match and also in her doubles match with partner Erika DeVries.

Second, third and fourth seed players Erika De Vries, Debbie Lissfelt and Renee Lajoie, all lost their singles matches where as fifth and sixth seed players Shannon DeBerry and Tina Curtis, clobbered their Wiesbaden opponents.

In the doubles matches, a second seed team Lajoie and Lissfelt finally came back against their opponents for a tie-breaker defeat, whereas third seed doubles team, DeBerry and Curtis lost their match.

The girls did well up against a school much larger than Berlin.

## VOLLEYBALL GOES ON A ROLL

This year's volleyball season started slowly, but finally got on its way when Mr. Dermody & Mrs. Kotcher agreed they would be the JV and Varsity coaches.

This year there was a much larger interest from the girls. Tryouts for the team were held the third through the sixth of September & after a lot of thought, the teams were finally picked on Monday.

This years varsity team for BAHS is : Doni Griggs, Denise Shoemaker, Karrie Kotcher, Lisa Mrozinski, Carla Gibbs, Charlotte Gibbs, Linnell White, Johanna Williams, Katie Singelton and Lisa Freeman.

The JV team is : Tijuana Goal, Cindy Williams, Kim Quigley, Jennifer Quigley, Shannon Diasley, Kristal Riggsbee, Laverne Magee, Stephanie Casto, Leighann Nakai, Valerie Robbins, Selena Brown and Adrienne Suanson.

Says Mr. Dermody : "We have an excellent chance in taking the small school championship. This is a much better team than I had really expected. I'm looking forward to the season." One of the returning Varsity players Denise Shoemaker also agrees that the team looks good this year and feels that if they work together and don't let their feelings get in the way, they can take the team all the way.

With the few returning players and the many new ones who came out, this years VOLLEYBALL team has high hopes.

## BIG WIN FOR MEN'S TENNIS

Berlin American High School's men's tennis team dealt a stunning blow to AAA Wiesbaden High School on Saturday September 7 in their first match of the season. First seeded Marcus Tingle took a disappointing loss, while the rest of the team rallied to avenge this defeat. Successful games were played by Dusty Marvin, Pat Guzik, Donald Geimer, and Kevin James with another loss coming to 6th seeded Darrin Hunt. Doubles did not fare as well for Berlin. But the Berlin players managed to hold on to the lead they had gained during the singles play. First and second seeded players Marcus Tingle and Dusty Marvin, took a loss at the hands of the players from Wiesbaden. Pat Guzik and Donald Geimer put Wiesbaden back in their rightful place, below Berlin. Wiesbaden squeaked by the fantastic playing of Kevin James and Brian Guzik in a tie-breaker.

The outlook for this year's team is very good, as evidenced by its victory over Wiesbaden. The Tennis Team has only two returning players, Marcus Tingle and Dusty Marvin. The new players this year have shown their skill and dedication while defeating Wiesbaden. New seeded players for this year are: Pat Guzik, Donald Geimer, Kevin James "Baby Smurf", and Darrin Hunt. These players will continue to gain skill and experience under the infinite wisdom of coaches Mr. Eichner and Paul White.

## RICH BEEM RETURNS TO GOLF TEAM

The 1985 golf season practice kicked off on August 31st. The only returning player from last year's championship team is Rich Beem, who also made 1st in the finals last season. Along with Rich, there are 5 newcomers- 3 beginners and 2 experienced players. Though there are only 6 players this season, they are optimistic about the outcome. Comparing this year's team to last years, Rich Beem says, "It's not as good as last year's."

The first match is on Sept 28 at noon and our players will be teaming up against others from all of the DoDDS schools in Germany who have golf teams. There will be 4 other matches this season and the finals will be on the 3-4 October.

Coach Morgan is optimistic about this year's Championships & predicts that Rich Beem will come in first again this year.

By : Nancy Hussey

## CROSS COUNTRY STARTS RUNNING

The Cross Country team is off and running for what looks to be a promising year. The C.C athletes are preparing for their first meet against Patch. The Berlin team defeated Patch last year at Nurnberg.

Because Mr. Moeller retired last year, a new coaching staff was required. After a long, hard search, Kim Brinson (Club Beyond leader) volunteered to be head coach. Assistant coaches are : Mrs. Bartholomew and Lt. Ed Phillips, who graduated from BAHS in '79 (he held the men's CC course record) and is now stationed here in Berlin.

The C.C team has a lot of returning athletes and has also acquired some new talent.

The girls team consists of Diana Bartholomew, Julia Bartholomew, Carolyn Donelson, Michelle Flores, Christi Griffard, Mary Houston and Chris Mrozinski. The guys team consists of Rob Ahrens, Gary Bartlett, Tom Carey, Chris Erickson, Andy Irwin, Carl Marvin, Chris Marvin, Robert Northup, and Thomas Potts.

Running during practices ranges from 2 to 6 miles for the girls and 4 to 8 for the boys. Every run is timed so each of the runners can set goals for themselves.

Says Coach Brinson, "As coaches, we are looking forward to an excellent season. We are thankful to have a team that is close and pulls for each other. Our goal is to have each individual give 100% because only then will our team reach its full potential."

## INTERVIEW WITH MR. BRYNER

When I first asked Mr. Bryner how our football team looked he gave me a straight look with a slight smile and said we are going to try real hard. He said, "Although we lost several people like Danny Franklin and Lonnie Spikes we have a lot of spirited people from last year returning." Some of the veterans returning are Ken Magee a sophomore, Shawn Van Arks a sophomore, Malcom Thomas a senior, and "Smurf" a junior. But some of the new players showed good potential such as Sean Steele, Mike Edmonds, Marc Abrams, Lance Srp, and Alex Meden.

I asked him how he thought the first game would go. He replied, "We're looking forward to playing Giessen. We've got some great spirit out there and they've been looking good." Coach Bryner then went on to say disappointedly that there will be no JV team due to lack of participation. Compared to the 53 people going out for Varsity Football in Giessen, Berlin only has between 27-31 people to play both JV & Varsity. He simply said that there was not enough people to play both Varsity and JV.
