A decorative graphic in the top left corner of the page. It features a black background with several white, five-pointed stars of varying sizes. To the right of the stars are several thick, wavy, horizontal stripes in alternating black and white colors, resembling a stylized American flag.

Martin Luther King

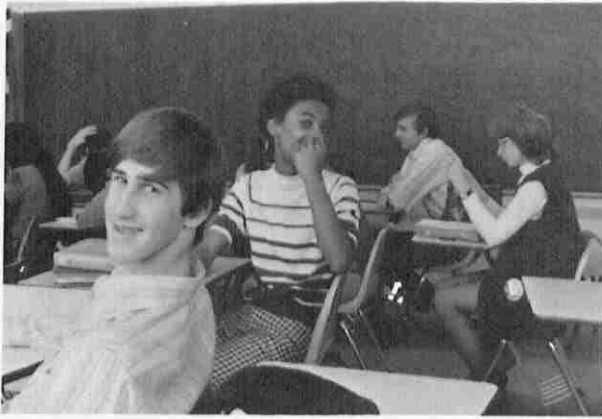

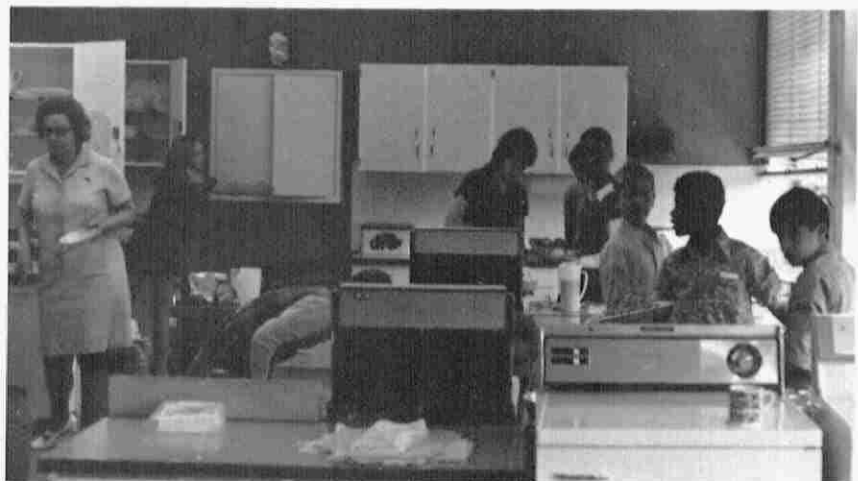

Like you, I have been here  
since the beginning  
and shall be  
until the end of days.  
There is no ending to my  
existence.  
Because the human soul is  
but a part of a burning  
torch...

...which God separated from Himself  
at Creation.  
Thus my soul  
and your soul  
are one...  
...and we are  
one with God.  
Reason is your  
light  
and your beacon  
of Truth.  
Reason is the  
source of  
Life.

### COACH

Practice begins with only four or five holdovers from the previous season. In three weeks the "T", "I", "ProSet" and "Single Wing" offensive formations must be introduced and a hard, charging, workable defense established. In addition, an assistant coach who will dedicate himself to the same high ideals as the head coach must be found.

All these and many more problems faced Mr. George W. Pepoy as each of the past five BAHS football seasons got under way. It was not an easy task, and it was one that might discourage many coaches. Coach Pepoy accepted each year as a new challenge. Despite many handicaps, he compiled an excellent 29-6 record. This record included two Silver Division Championships and brought Coach Pepoy recognition as one of the finest American High School coaches in Europe.

Beyond a coaching record, perhaps the greatest honor which can be paid to any coach is the respect he receives from his players, the students, his colleagues in the coaching fraternity, and the community in which he resides. Coach Pepoy has this respect because he devotes himself to fair play. Both on and off the field, his actions and his deeds attest to this. The time and effort which he has given to the BAHS sport programs, and to building not only ballplayers but their characters as well, will long be remembered and cherished by those young men who have had the honor to play for him.

To Coach, his boys always come first, and what he might gain personally is never a factor. The 1973 Berlin Cubs football team is honored to salute Coach Pepoy--a fine coach.

I, TOO

I, too, sing America.

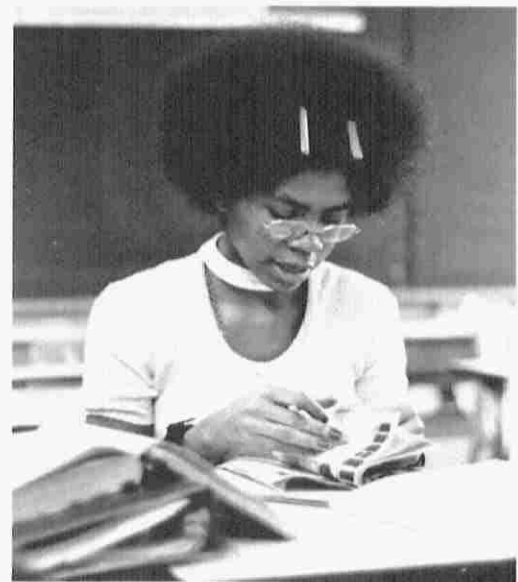

I am the darker brother.  
They send me to eat in the  
kitchen  
When company comes,  
But I laugh,  
And eat well,  
And grow strong.

Tomorrow,  
I'll be at the table  
When company comes.  
Nobody'll dare  
Say to me,  
"Eat in the kitchen,"  
Then.

Besides,  
They'll see how beautiful  
I am  
And be ashamed --

I, too, am America.

Langston Hughes

Smiles make the world go 'round, so I help it all I can.

Great men and women are dying and I feel hungry.

I believe in taking life easy.

Before you mess something up, THINK.

To play or not to play.

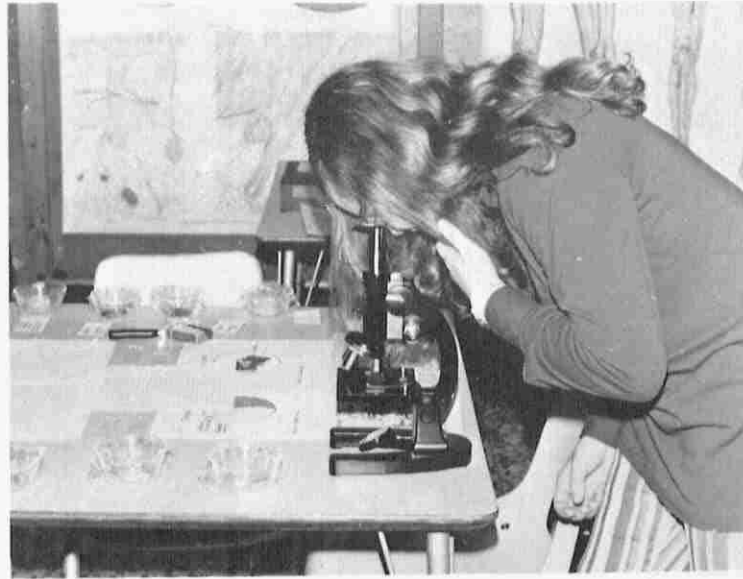

## SHOW AND

Sometimes I just sit and think, but mostly I just sit.

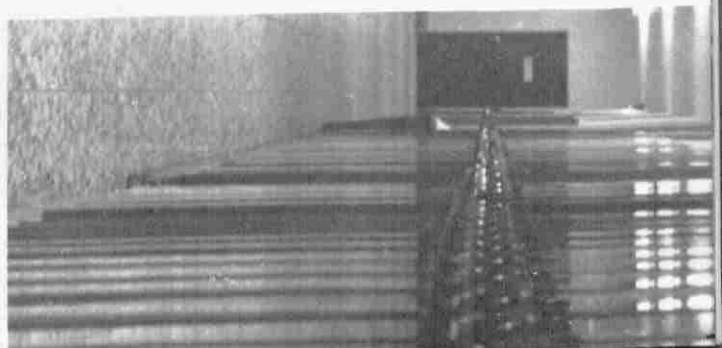

This is the way the French do it.

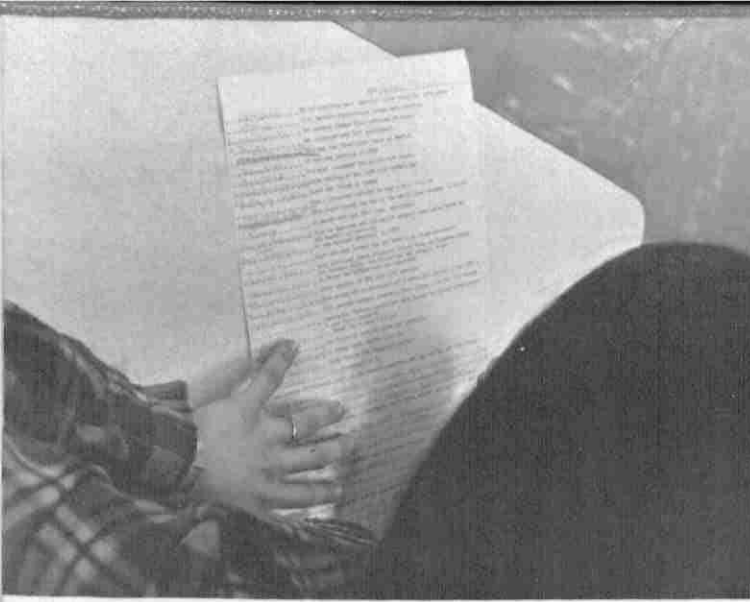

ELL . . .

The trouble with opportunity is that it comes disguised as hard work.

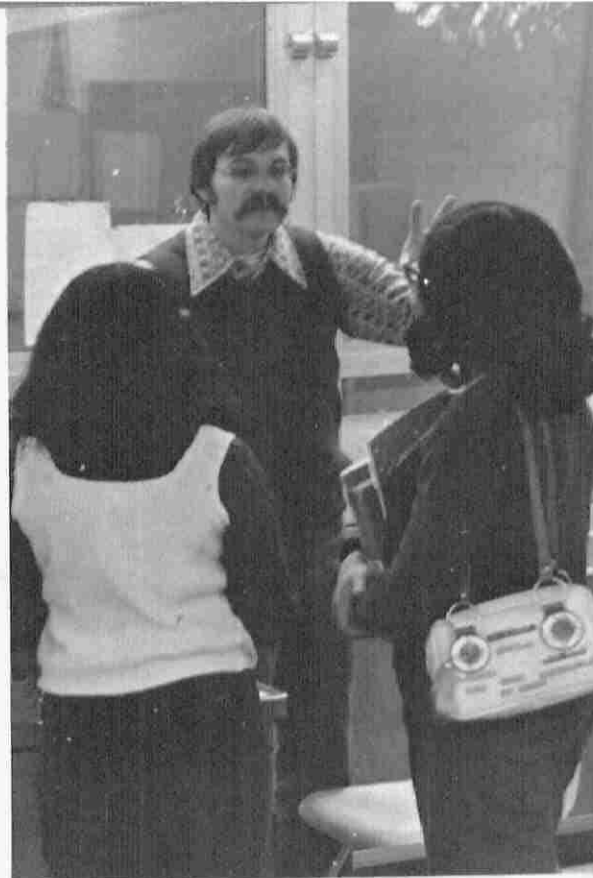

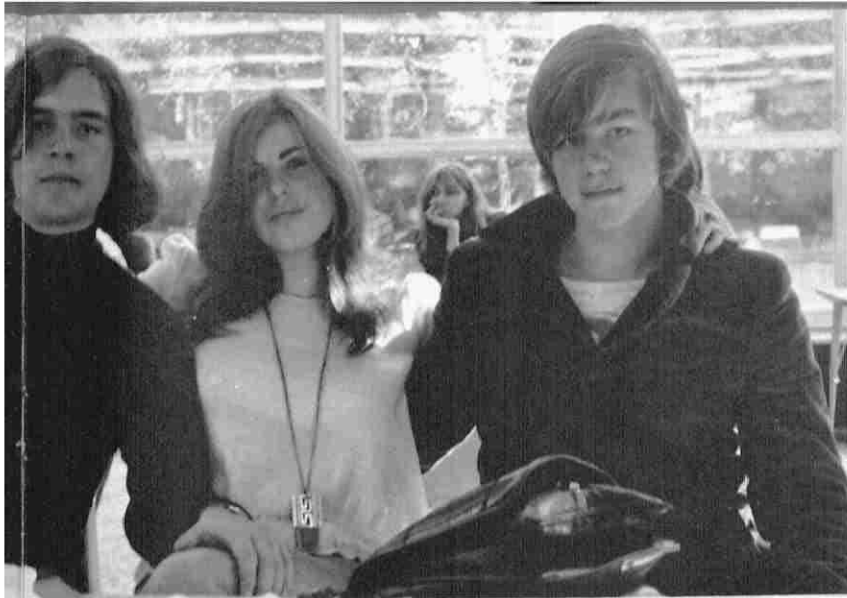

Watch that first step!

Who's afraid of work? Not me. I can lie right beside it and go to sleep.

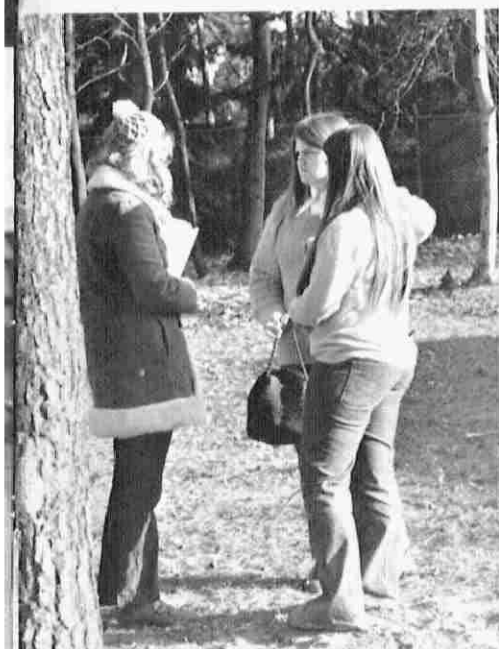

Don't crowd girls, you'll all get a chance.

The Devil made me do it.
