This year the Berlin Cubs placed second in both the league and the tournament. They had a 10-4 season record. In the tournament they lost in the Championship game by only 4 points. Berlin gave it all they had but they lost 46-42. All things considered, it was a good year.

This year's Golf team had a perfect season. They won all four of their matches and the Northern Regionals.

People placing were: Randy Smith-First, Mark Schellerup-Second. Janet Virgilio took first in the girls competition.

All Regional participants went to the Finals and there Randy Smith won the USDESEA tournament. Janet Virgilio took third for the girls.

1974-75 was the first year girls' basketball was considered a varsity sport.

The girls have fought a long hard battle to gain equality in sports and they are coming along slowly but surely. In the future, girls' sports will grow in popularity and strength. Then, perhaps, people will notice that girls can be good athletes too.

Next year's team with its young, new, and feisty players looks like a winner.
