

The winning goes on at BAHS

by Debbie Marmor

The BAHS football team has moved a step closer to having a winning season, with this past week's win over the Bremerhaven Blackhawks.

This week's win of 14-0 has evened the record of wins and losses for the season to two each. Most of the action in the end zone was done by Vennie Gore, who scored both of the touchdowns for Berlin. One in the first quarter after an interception, with the extra point on a pass from QB Billy Bourbo to Jeff Frazier, the second in the fourth quarter on a three yard run through the Blackhawks defense. The try for the extra point was good and put Berlin ahead for good and their second victory in a row. Tomorrow's match-up is against undefeated Baumholder, where Berlin will try to get their third win.

Because of problems in the scheduling the J. V. football team was not able to play. The J. V. team has acquired two new players in brothers Reggie and Terri Haythe, freshman and sophomore respectively. Coach Ed Stone feels the defense of his J. V. team is outstanding, while the offense is steadily progressing. With the size of the team and their abilities, the junior Cubs should be able to defeat Baumholder with little or no trouble.

The Cubs have already met the Bucs once this season playing a troubled game where they were defeated 14-0. The Cubs gave the Bucs more trouble than the score would indicate, scoring twice but having each TD called back on penalties. Tomorrow's game should prove to be an exciting revenge match.

The golf team played in Wiesbaden for the Germany finals this weekend. Keith Smith placed second behind Wiesbaden's Grant Porter by two strokes. Smith, who took second in "all USDESEA" competition, ran away

with first in the Class B division. Sarah Lewkowicz turned in a 120 for a second place finish in both "all USDESEA" and Class B. Golf competition ended for the school year with this tournament.

The volleyball team, competing against Heidelberg and Frankfurt, played second behind Heidelberg. The J. V. lost to Heidelberg 9-15, 16-14, 15-9. Cubs defeated Frankfurt 15-9, 15-12. Jody Engbretson and Donna Holsapple were the two high scorers in these games scoring seven and five points respective.

Lisa Jones captained the varsity squad to a victory over Heidelberg, 10-15, 15-9, 15-13. They lost to Frankfurt in a clutch 15-8, 16-18, 15-8. Right now the championship is still up for grabs. A total of 12 teams, the four top teams from each of the three regions, will be fighting for the title.

The men's cross country team showed considerable improvement but still met with defeat in a triangular meet at Frankfurt. Jim Pawlik placed seventh in another close race. The seven top finishers all bested the previous track record. Mark Thorsen and Steve Dussetschlaeger also showed well for the Cubs. The final standing was Frankfurt 19, Heidelberg 42, and Berlin 70.

The women's team also showed quite a bit of improvement. Becky Branam placed third and Colleen Gilligan placed sixth as the team easily defeated Frankfurt, but had to settle for second place behind Heidelberg. The final score for the women's track meet was Heidelberg 26, Berlin 46, and Frankfurt 60.

Tomorrow's football games will be played on the high school field at 10:30 a.m. and 1 p.m. The cross country and volleyball teams will meet Bad Kreuznach and Hanau at Bad Kreuznach.
